

This is to certify that

Urgent Couriers Limited

Meets the requirements of carbonZero^{CertTM} service certification having measured the cradle to grave life cycle greenhouse gas emissions of its selected courier service in accordance with PAS 2050:2011, committed to managing and reducing the emissions intensity of the product and neutralised the remaining unavoidable emissions through the cancellation of an appropriate number of verified carbon credits in respect of the selected courier service.

A handwritten signature in blue ink, appearing to read "Belinda Mathers".

Belinda Mathers - Certifier
